Dear Mr. Swettenham

I omitted to ask you yesterday what the pay of a Provincial Officer is, & whether it should be specified in a Notification by Govt?

I also forgot to ask your advice as to how to proceed to get the pay of my Resident on the same level as others of the same Dept? Mine

Dear Mr Davy

Your D.O. of the 7th. The rates of travelling allowance now allowed to you are daily batta Rs 5, mileage 8 annas a mile. In the case of a few heads of Departments the old rates were revised a couple of years ago, daily batta being fixed at Rs 7½ and mileage at Rs.8 without camp equipment and

and Ao. 12 with Camp equip-
-ment. There are no
separate special rates for
provincial officers.

The salaries of your menial establishment were raised a few days ago as recommended by the Excise Commissioner.

With kind regards

Yours Sincerely

(Sd) C. Sreenivasiengar

Sir,

In submitting herewith copy of letter No: 263, dated 5th ultimo, from the Deputy Excise Commr., I have the honor to state that in Government Proceedings No: 6951-2 Ex. 7. 16-93 (Vide G.R. 36 of 1893-3 Ex 2), dated 12th October 1893, Mr. Davy was allowed to draw daily batta at Rs 5/- per diem and mileage at annas 8/- per mile, on the ground that he had to travel throughout the province. Enclosure No.

Sir,

Ever since I was transferred to this department I have been drawing the same rate of travelling allowance as was sanctioned to the Provincial officers (Heads of Departments) before the passing of the Government order No 8369-404 P&A 39-93 dated 20th January 1898 revising the Rates for them. This concession was shown to me, as the nature of my work in this department required me to tour throughout the Province. When this Government order was passed, the question of revising

Central Jail Press, Bangalore.—21-9-98.—49,302.

Revising my rate of travelling allowance was not thought of, I believe, owing to no reference having been made on my behalf to Government. As I was then in charge of an Excise Division with a limited jurisdiction, I did not consider it advisable and expedient to make a move in the matter. Now that Government order No 967-76 R.F. 144-93, dated 30th July 1900, conveyed by your memo No 822/164 dated 31/7/00 3/8/00, gives me back the same jurisdiction and requires me to tour throughout the Province as before and as the nature of my present work is such as to compel me to make short journeys and numerous halts, I have the honor to urge upon your kind attention that my claims to the revised rates of travelling allowance may be represented to Government as I feel confident that it is not the intention of Government, nor is it of my immediate Superior, to exclude me from the benefits of a general principle.

Trusting this will receive your mature consideration and valuable support.

I have the honor to be
